December 15, 2014

Mr. Edgar Usman
New Jersey Microelectronic Testing Inc.
1240 Main Ave.
Clifton, NJ 07011

Dear Mr. Usman:

Re: Interim Laboratory Suitability Status, MIL-STD-750, VQE-15-028971, CN:
045210

This office has received your email request, dated December 12, 2014, for interim laboratory suitability to perform test method 3076 to the requirements of MIL-STD-750. Your request is approved based on the latest version of your procedure (PP750-DLA-DPI-ATE). Your suitability listing has been updated on DLA's Commercial Laboratories listing page: http://www.landandmaritime.dla.mil/offices/sourcing_and_qualification/labsuit.aspx.

This suitability is in addition to your current laboratory suitability granted by DLA Land and Maritime. This is an interim approval, which will be verified during your next facility audit. This suitability is valid until terminated by written notification from this Center. If warranted, laboratory suitability status may be withdrawn by this Center at any time.

If you have any questions, please contact Mr. Michael at 614-692-7527.

Sincerely,

RAYMOND L KOLONCHUK
Chief
Electronic Devices Branch
